Sir:

Responsive to the Advisory Action of December 28, 2005, and the telephone conference with the examiner on February 13 and February 27, the applicant submits the following remarks.

The examiner does not yet understand the applicant's argument submitted in response to the final Office Action. Applicant has never stated that Cohen's optional method "is the only method shown." To the contrary, Applicant recognizes that there are several methods disclosed in Cohen. For example, as identified previously by the applicant, Cohen discloses a point to point return link (Figure 4, 140) in order to provide interactivity (Col. 11, lines 41-49) to cause the broadcast station to broadcast the selected
